2.2. A tenderer that fails to meet the above-mentioned pre-qualifying criteria at closing date, will be disqualified.

3. SECTION 3: LOCAL CONTENT AND PRODUCTION (IF APPLICABLE)

3.1. Introduction

In terms of the PPPFA bids in respect of goods, services or works that have been designated for local production and content, must contain a specific bidding condition that only locally produced goods, services or works or locally manufactured goods with a stipulated minimum threshold for local content and production will be considered. This tender fall within a designated sector and !KHEIS MUNICIPALITY is therefore required to stipulate the minimum threshold for local production and content. The minimum threshold for local content and production for this tender is _____ of the bid price. Any bidder who fails to meet the minimum threshold for local production and content will be disqualified from the process. To this end, bidders must complete a declaration certificate for local content and production (SBD 6.2) which is Annexure of this tender document. Failure to return a completed SBD 6.2 form will make a bidder liable for disqualification.

3.2. Calculation of local content and production

Local content means that portion of the bid price, which is not included in the imported content, provided that local manufacture does take place. Imported content means the portion of the bid price represented by the cost the cost of components, parts or materials which have been or are still imported (whether by the supplier or its sub-contractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs, such as landing costs, dock dues, import duty, sales duty or other

similar tax or duty at the South African port of entry. The South African Bureau of Standards (SABS) approved technical specification number SATS 1286:201x will be used to calculate local content. The formula to be used to calculate local content is as follows:

$$LC = 1 - \left(\frac{x}{y} \right) \times 100$$

Where:

X represents imported content

Y represents bid price excluding value added tax

Prices referred to in the determination of x will be converted to Rand (ZAR) by using the exchange rate published by the South African Reserve Bank (SARB) at 12:00 on the date, one week (7 calendar days) prior to the closing date of the bid.

3.3. Declaration certificate for local production and content (MBD 6.2)

- 3.3.1. This Municipal Bidding Document (MBD) must form part of all invited bids. It contains general information and serves as a declaration form for local content (local production and local content are used interchangeably).
- 3.3.2. Before completing this declaration, bidders must study the General Conditions, Definitions, Directives applicable in respect of Local Content as prescribed in the PPPFA and the SABS approved technical specification number SATS 1286:201x.

3.4. General Conditions

- 3.4.1. PPPFA (Regulation 8 makes provision for the promotion of local production and content.
- 3.4.2. Regulation 8(2) prescribes that in the case of designated sectors, where in the award of bids local production and content is of critical importance, such bids must be advertised with the specific bidding condition that only locally produced goods, services or works or locally manufactured goods, with a stipulated minimum threshold for local production and content will be considered.
- 3.4.3. Where necessary, for bids referred to in paragraphs 2.4.2, a two-stage bidding process may be followed, where the first stage involves a minimum threshold for local production and content and the second stage price and B-BBEE.
- 3.4.4. A person awarded a contract in relation to a designated sector, may not sub-contract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.
- 3.4.5. A bid will be disqualified if:

- 3.4.5.1. The bidder fails to achieve the stipulated minimum threshold for local production and content indicated in paragraph 2.6 below; and
- 3.4.5.2. The completed SBD 6.2 form together with its declaration, is not submitted as part of the bid documentation.

The seven towns serviced at !Kheis Municipality are Groblershoop, Brandboom, Wegdraai, Topline, Grootdrink, Gariep and Opwag (Uitkoms).

4.2. Scope of Work

This project involves the design, supply and installation of a sanitation pump station at three Wards within the !Kheis Local Municipality community: Groblershoop(ward 6), Wegdraai(ward 1) and Grootdrink(ward 2). These areas are currently facing challenges related to environmental pollution, pump failure, and interrupted water services.

The scope includes:

- Inspections and assessments of current infrastructure.
- Procurement and supply of pumps and motor systems for each designated ward.
- Civil works: foundation and preparation for installations.
- Mechanical and Electrical installation of pump systems.
- Testing commissioning, and handover.
- Ensuring compliance with the National Water Act (Act No. 36 of 1998)
- Implementation of a sustainability and maintenance plan by !Kheis Local Municipality.

Key Outputs per Site:

- Groblershoop: 2.2 KW 4P B5 Motor, 400c Gearbox, shaft coupling, and set drive dogs.
- Wegdraai & Grootdrink: Replacement and installation of new water reservoir pump systems (see specifications section)

NB!!! The quotations should strictly include supply and delivery ONLY.

Minimum Requirements
